**OFFICE OF PETITIONS**

In re Application of :  
Muller-Hermelink et al. :  
Application No. 10/764,730 : LETTER REGARDING  
Filed: January 26, 2004 : PATENT TERM ADJUSTMENT  
Atty Docket No. 50274/021002 :

This is in response to the "REQUEST FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT," filed January 22, 2008. Pursuant to their duty of good faith and candor to the Office, applicants disclose that the determination of patent term adjustment under 35 U.S.C. 154(b) mailed with the Notice of Allowance appears to be in error.

The request for review of the patent term adjustment is GRANTED.

The Office has updated the PAIR screen to reflect that the correct Patent Term Adjustment (PTA) determination at the time of the mailing of the Notice of Allowance is ten (10) days. A copy of the updated PAIR screen, showing the correct determination, is enclosed.

On November 19, 2007, the Office mailed the Determination of Patent Term Adjustment under 35 U.S.C. 154(b) in the above-identified application. The Notice stated that the patent term adjustment to date is 74 days. Applicants do not state a basis for their disclosure that the patent term adjustment is in error.

Nonetheless, a review of the application history reveals that an additional period of reduction should have been entered. A

request for continued examination (RCE) and amendment were not filed in response to the Office action mailed March 21, 2007 until August 24, 2007. As such, a period of reduction of 64 days should have been entered pursuant to 37 C.F.R. §1.704(b).

In view thereof, the initial determination of the patent term adjustment at the time of the mailing of the notice of allowance is ten (10) days.

As this letter was submitted as an advisement to the Office of an error in Applicants' favor, the Office will not assess the \$200.00 fee under 37 CFR 1.18(e). The Office thanks Applicants for their good faith and candor in bringing this to the attention of the Office.

The application is being forwarded to the Publications Division for issuance of a patent. The patent term adjustment indicated on the patent (as shown on the Issue Notification mailed about three weeks prior to patent issuance) will include any additional adjustment accrued both for Office delay in issuing the patent more than four months after payment of the issue fee and satisfaction of all outstanding requirements, and for the Office taking in excess of three years to issue the patent (to the extent that the three-year period does not overlap with periods already accorded).

Telephone inquiries specific to this matter should be directed to the undersigned at (571) 272-3219.
